2. GRANT OF LICENCE

No rights are hereby granted for any other purpose and the MPPF agrees that it will not use the Patents itself or grant sublicences: (i) to entities other than Sublicensees; and/or (ii) other than in the form of the Sublicence.
- 2.1A The MPPF acknowledges that the number of Sublicences granted to Sublicensees pursuant to this Agreement must be commensurate with the need for Products in the Territory or in specific countries of the Territory. Accordingly, the right of the MPPF to enter into further Sublicences pursuant to Clause 2.1 after the Effective Amendment Date is subject to both Parties agreeing that such need for Products exists in the Territory or in specific countries of the Territory. The existence of need for Products shall be determined by taking into account the Sublicensees’ manufacturing capacity and local regulatory registration plans, demand forecasts, the need to promote a competitive market within each country in the Territory, and the need for local manufacturing capacity. For this purpose, prior to opening an expression of interest process to prospective sublicensees, the MPPF shall notify ViiV in writing of its intention to grant further Sublicences setting out the reasons for the need to grant such Sublicences. Within thirty (30) days from receipt of such notification, ViiV shall inform the MPPF in writing of (i) its agreement with the course of action proposed by the MPPF or (ii) its disagreement with the course of action proposed by the MPPF, in the latter case providing its reasons for considering that a need for Products has not been established by the MPPF. In the event of disagreement, the Parties shall seek to resolve the disagreement in good faith. If the Parties cannot resolve the disagreement within sixty (60) days, the matter shall be handled in accordance with Clause 6.3 of this Agreement.
- 2.2 The MPPF shall procure that at the same time as any Sublicence is entered into the relevant Sublicensee enters into a Letter of Indemnity and that within thirty (30) days of the execution of such Sublicence:
 - (a) a fully executed copy of the relevant Sublicence; and
 - (b) two originals of the relevant Letter of Indemnity,are provided to ViiV.

- 2.3 ViiV hereby covenants with the MPPF that it shall not bring legal action against a Sublicensee for infringement of any Non-Territory Patents where such Sublicensee is carrying on activities outside of the Territory solely for purposes which are expressly permitted by the relevant Sublicence.
- 2.4 For avoidance of doubt, it shall not be a breach of the Sublicence for Sublicensees to manufacture, use, sell or supply Products or Raw Materials outside the Territory where such activities would not infringe Non-Territory Patents, including, without limitation, where a country outside the Territory has issued a compulsory licence on Non-Territory Patent(s) provided that the Sublicensee is authorised to supply such country under the compulsory licence and such use is within the scope of the compulsory licence.
- 2.5 Notwithstanding anything contained in the Sublicence, no term of the Sublicence shall be construed to:
- (a) prevent Sublicensees from engaging in any activities within any country of the Territory that would not infringe a Patent granted and in force in such country of the Territory, or
- (b) impose on Sublicensees a positive obligation to (i) restrict the sales of Product to any person other than a Child Patient, (ii) have packaging that specifies that products are not authorised for supply to any person other than a Child Patient, pursuant to Clause 7.2 of the Sublicence or (iv) provide the statements contemplated by Clause 10.2 of the Sublicence, in each case in relation to the supply of Product into a country of the Territory where such supply would not infringe a Patent granted and in force in such country of the Territory.

3. OBLIGATIONS OF THE MPPF

- 3.1 The MPPF agrees to be primarily liable for any breach of a Sublicence by any Sublicensee and undertakes to indemnify ViiV and its Affiliates in respect of any and all liabilities, costs, damages and expenses (including, but not limited to, legal costs) incurred by ViiV and/or its Affiliates arising out of, or in connection with any breach of a Sublicence by any Sublicensee. Where ViiV exercises its rights under this Clause, ViiV shall (i) provide MPPF with prompt written notice of such claims, (ii) grant MPPF the right to control the defence or negotiation of settlement of such claims (except to the extent such claims relate to the validity or enforcement of Patents or Non-Territory Patents) and (iii) make available all reasonable assistance in defending any claims. For the avoidance of doubt, the MPPF shall bear no liability for the consumption of Product by patients other than Child Patients where such consumption does not result from the breach by the MPPF or the Sublicensee of obligations under this Agreement or the Sublicence respectively.
- 3.2 By no later than 1 April in each calendar year following supply in the previous calendar year of Products under the first Sublicence granted, and without prejudice to the MPPF's other obligations, the MPPF shall deliver a written report in a form reasonably satisfactory to ViiV setting out, in relation to each jurisdiction in the

Territory where such information is available, details of (i) the estimated number of children living with HIV that have been treated with a Product in the previous calendar year (assuming continuous treatment of such children), broken down by reference to the different Product types (including Licensed Mono Products and any Licensed Combination Products), (ii) the volume of each such Product supplied in relation to such children for such period and (iii) the total volume of each such Product supplied by Sublicensees (broken down by Sublicensee) for such period.

- 3.2A The MPPF shall provide ViiV a copy of the annual forecast for global demand of antiretroviral medicines prepared by the AIDS Medicines and Diagnostic Service of the World Health Organisation (the “AMDS Forecast”) within ten (10) Business Days of receipt of the same by the MPPF, if the ADMS Forecast for that calendar year is not publicly available.
- 3.2B By no later than 1 April in each calendar year, the MPPF shall compare with all reasonable skill and care the annual volumes of Products sold in the Territory in the previous calendar year under all existing Sublicences reported under Clause 10.2 of the Sublicences, broken down by Product types (including Licensed Mono Products and any Licensed Combination Products) but not by Sublicensee against the volumes forecast for the Territory for the equivalent calendar year as reported by the AMDS in the AMDS Forecast (as defined under Clause 3.2A above), and report in writing with all reasonable skill and care the outcome of such comparison to ViiV, in a form reasonably satisfactory to ViiV.
- 3.2C The MPPF shall within ninety (90) days of the expiry of the ten (10) Business Day period referred to in Clause 3.5 of the Sublicence, send to ViiV a consolidated report summarising the reports provided to the MPPF under Clause 3.5 of the Sublicence, ensuring that such consolidated report does not include any information that relates to countries outside the Territory.
- 3.2D The MPPF shall within thirty (30) days of the expiry of the ten (10) Business Day period referred to in Clause 10.2 of the Sublicence, send to ViiV a consolidated report summarising the reports provided to the MPPF under Clause 10.2 of the Sublicence, ensuring that such consolidated report does not include any information that relates to countries outside the Territory.
- 3.3 The MPPF agrees to monitor compliance with each Sublicence by each Sublicensee, including but not limited to by:
- (i) using reasonable endeavours to procure that Sublicensees provide the reports to the MPPF in accordance with Clauses 3.5 and 10.2 of the Sublicence and with the Reporting Guidance, reviewing with all reasonable skill and care any such reports;
 - (i-a) within thirty (30) days of the expiry of the ten (10) Business Day period referred to in Clauses 3.5 and 10.2 of the Sublicence, reporting to ViiV which Sublicensees (if any) have not complied with their obligations under Clauses 3.5 and/or 10.2 of the Sublicence and what action the MPPF has taken to facilitate compliance of such Sublicensees;
 - (ii) within thirty (30) days of the expiry of the ten (10) Business Day period referred to in Clause 10.2 of the Sublicence, assessing with all reasonable skill and care in relation to each Sublicensee whether the supplies of Product made in the relevant Agreement Quarter were made in accordance with the terms of the Sublicence, and

reporting in writing with all reasonable skill and care the outcome of such assessment to ViiV within such thirty (30) day period in a form reasonably satisfactory to ViiV;

(iii) fully exercising the audit right set out 10.1 of the Sublicence at MPPF's own cost as soon as MPPF has reasonable cause to believe (and/or as soon as ViiV has notified MPPF that ViiV has reasonable cause to believe) an audit is necessary (including without limitation where such a party has reasonable grounds for suspecting non-compliance with the Sublicence); and

(iv) assessing with all reasonable skill and care whether any requests for prior written approval for trade or service marks, trade dress (where applicable), symbols or devices provided to the MPPF by Sublicensees under Clause 9.3 of the Sublicence comply with the Trade Dress Guidance and do not fall within the categories listed under Clause 9.2 of the Sublicence, and submitting to ViiV for written approval, those (and only those) requests which the MPPF considers meet the criteria provided in the Trade Dress Guidance. ViiV shall respond to any request for approval within thirty (30) days of receipt by ViiV of all the relevant documentation necessary to consider the Sublicensee's request.

ViiV agrees to treat any information of Sublicensees provided to it under this Clause 3.3 as Confidential Information and the confidentiality obligations of Clauses 5.1 to 5.4 of the Sublicence shall apply, *mutatis mutandis*, to ViiV with respect to such information.

- 3.4A Where the Sublicence requires the Sublicensees to obtain approval from ViiV, the MPPF shall facilitate the provision of such approval in accordance with Clause 2.10 of the Sublicence.
- 3.4 If the MPPF becomes aware of any act or omission of a Sublicensee which constitutes a breach of the relevant Sublicence the MPPF shall immediately notify ViiV and (i) if the breach is capable of correction and does not give rise to an immediate right of termination under the Sublicence, direct the relevant Sublicensee in writing to cure the breach, with a copy of that writing to ViiV; and (ii) if the breach remains uncured at the end of the specified period, or if there are otherwise grounds for termination under the Sublicence, and in each case if so requested by ViiV, procure the termination of the relevant Sublicence in accordance with its terms.
- 3.5 The MPPF agrees to exercise the rights of ViiV as granted under Clause 17.3 of any Sublicence only as requested in writing by ViiV. For the avoidance of doubt, this shall not affect ViiV exercising its rights directly under any Sublicence.
- 3.6 The MPPF's obligations under this Clause 3 constitute direct, primary and unconditional obligations of the MPPF and shall not require ViiV to first take any steps against any Sublicensee or any other person.
- 3.7 ViiV shall provide the MPPF the Trade Dress Guidance and shall keep it up to date by including information regarding (i) specific tablet shapes, tablet colours and packaging colours to be avoided, and (ii) any additional new and/or future ViiV trade dress as soon as practicable after ViiV considers such information no longer to be confidential.

- 4.1 The MPPF acknowledges receipt of GSK's "Prevention of Corruption – Third Party Guidelines" and agrees to perform its obligations under this Agreement in accordance with the principles set out therein.
- 4.2 The MPPF shall comply fully at all times with all applicable laws and regulations, including but not limited to applicable anti-corruption laws, of the territories in which the MPPF conducts business with ViiV and/or grants Sublicences.
- 4.3 ViiV shall be entitled to terminate this Agreement immediately on written notice to the MPPF if the MPPF fails to perform its obligations in accordance with this Clause 4. The MPPF shall have no claim against ViiV or any of their Affiliates for compensation for any loss of whatever nature by virtue of the termination of this Agreement in accordance with this Clause 4. To the extent (and only to the extent) that applicable law provides for any such compensation to be paid to the MPPF upon the termination of this Agreement, the MPPF hereby expressly agrees to waive (to the extent possible under applicable law) or repay to ViiV any such compensation or indemnity.
- 4.4 The responsibilities of the parties for reporting of adverse drug experiences related to the Products to regulatory authorities in the Territory shall be performed in accordance with local laws and regulations. The responsibilities of the parties for safety related or Product related inquiries shall be performed in accordance with local laws and regulations. The MPPF hereby undertakes to (a) use reasonable efforts to monitor the activities and duties of the Sublicensee as regards pharmacovigilance obligations as set out in Clause 6 of the Sublicence, and (b) otherwise procure compliance by the Sublicensee with such Clause 6.
- 4.5 MPPF represents that neither MPPF nor, to the knowledge of MPPF, any Affiliate, director, officer, or employee of MPPF, is a Sanctions Target.

5A. PUBLICITY AND EXTERNAL COMMUNICATIONS

- 5A.1 Each Party shall seek each other Party's written approval of any initial press release or public announcement concerning the grant, scope or terms of this Agreement (the "Initial Announcement") prior to such press release, or any other publication regarding this Agreement, being made. Following the Initial Announcement, neither Party shall be required to seek the other Party's consent to respond to reactive statements to the Initial Announcement, provided such statements are accurate and not misleading.
- 5A.2 The MPPF shall not refer to ViiV and/or its Affiliates, or ViiV's and/or its Affiliate(s)' trademarks and/or logos in any external communications without prior approval from ViiV, except where such reference is to the ViiV company name and is limited to a factual statement that ViiV is the licensor of the patents under this Agreement. For the avoidance of doubt, the MPPF shall in no circumstances refer to any brand name of ViiV and/or its Affiliates in any communication without ViiV's prior written approval.

- 5A.3 Subject to Clauses 5A.1 and 5A.2, neither Party shall be required to obtain the other Party's prior consent for any external communication relating to this Agreement.
- 5A.4 The MPPF shall provide ViiV the opportunity to review and comment on the methodology behind any external communication regarding the MPPF's analysis of the economic and public health impact of this Agreement at least five (5) Business Days prior to publication of any such communication. For the avoidance of doubt, subsequent communications made by MPPF regarding its analysis of the economic and public health impact of this Agreement that are based on the methodology already reviewed by ViiV shall not require additional requests for review, however the MPPF will use reasonable endeavours to provide copies of any such communications to ViiV at least five (5) Business Days prior to publication, where practicable.
- 5A.5 Each Party shall ensure that any external communication relating to this Agreement is accurate and not misleading.
- 5A.6 Each Party acknowledges that it is solely responsible and liable for its communications relating to this Agreement, including compliance with any applicable codes, laws and/or regulations.

5. GENERAL

- 5.1 The term of this Agreement shall commence on the Effective Date and expire upon the later of the expiration, lapse or invalidation of the last remaining Patent in the Territory (unless terminated earlier in accordance with its terms).
- 5.2 Upon the expiry of this Agreement, or in the event that this Agreement is terminated earlier in accordance with its terms, the MPPF shall procure that any Sublicences already granted shall be immediately terminated in accordance with their terms (if that Sublicensee is in breach of the Sublicence) or converted (by way of the MPPF, ViiV and the relevant Sublicensee entering into a novation agreement transferring the rights and obligations of the MPPF under the Sublicence to ViiV) into a licence between ViiV and the relevant Sublicensee(s) under the same terms and conditions of the Sublicence if that Sublicensee is not in breach of the Sublicence. This Clause 5.2 shall survive any termination of this Agreement.
- 5.3 Other than as set out under Clause 2.1, this Agreement confers: (a) no intellectual property rights whatsoever on the MPPF; and (b) no rights on the MPPF to sublicense its rights hereunder, which is expressly prohibited.
- 5.4 The MPPF shall have no rights in relation to the conduct of any matter relating to the Patents, including the filing, prosecution and maintenance thereof.
- 5.5 The MPPF agrees that it shall provide such assistance as ViiV reasonably requires to enable ViiV to exercise its rights under this Agreement and any Sublicence.
- 5.6 ViiV agrees only to exercise the rights granted to it under Clause 8.2 of the Sublicence in accordance with the licence granted therein. ViiV shall treat any information disclosed under Clause 10 of the Sublicence as Confidential Information and the confidentiality obligations of Clauses 5.1 to 5.4 of the Sublicence shall apply, *mutatis mutandis*, to ViiV with respect to such information provided, for the avoidance of doubt, that ViiV shall be entitled to disclose information about the quantities of Products manufactured by Sublicensees on an aggregate basis.

- 5.7 ViiV shall provide any Sublicensee with NCE Exclusivity or other regulatory exclusivity waivers to the extent required by the applicable regulatory authorities in order to manufacture or sell Product in the Territory in accordance with the terms of the Sublicence. ViiV shall further provide to any Sublicensee such consents which it has the legal capacity to give as are necessary to enable such Sublicensee to perform its obligations under Clauses 3.2 and 3.3 of the Sublicence.
- 5.8 This Agreement may only be amended in writing signed by duly authorised representatives of each Party. For the avoidance of doubt, and notwithstanding the rights of the MPPF pursuant to Clause 24 of the Sublicence, The MPPF shall not amend Appendix D or Appendix E of the Sublicence without ViiV's express consent in writing.

Delay in exercising or non-exercise of any such right is not a waiver of that right.

- 5.11 This Agreement sets forth the entire agreement between the Parties and supersedes all prior agreements, arrangements and understandings, oral or written, between the Parties with respect to the subject matter hereof.

- 6.2 Subject to Clause 6.3, the English courts have exclusive jurisdiction to settle any dispute arising out of or in connection with this Agreement (including a dispute relating to any non-contractual obligations arising out of or in connection with this Agreement) and the Parties submit to the exclusive jurisdiction of the English courts.
- 6.3 The parties agree that in the event of a dispute they shall submit such dispute to mediation in accordance with the WIPO Mediation Rules. In the event that the dispute remains outstanding after sixty (60) days from the date when it was first discussed (in any manner) between the parties, either party may commence court proceedings. The

foregoing however shall not prevent any person from seeking and obtaining injunctive relief at any time.

- 6.4 Without prejudice to the foregoing in relation to the Licensee, nothing in this Agreement shall prevent or restrict ViiV from electing to bring proceedings in relation to patent infringement or from applying for injunctive relief in any country outside England, to which election the MPPF hereby agrees.

only to sell Products that conform to the colour and shape of the trial batches approved by the Licensor and ViiV pursuant to this Clause 8.3.

- 7.3A For the avoidance of any doubt, any Product, packaging (whether external, intermediate or internal), data sheets and promotional materials for the Products approved by the Licensor and ViiV before the Effective Amendment Date will be considered as already approved, and ViiV and Licensor will not request the Licensee to make any additional changes except as provided in Clause 7.4 below.
- 7.4 Without prejudice to Clause 7.3, Licensee agrees to comply with such additional requirements for differentiation of the packaging of Products as ViiV may request and agrees to use its reasonable endeavours to ensure timely registration of the variation with all Relevant Regulatory Authorities as they may require, provided that:
- 7.4.1 ViiV shall only be entitled to request such additional differentiation once during the Term of this Agreement;
- 7.4.2 ViiV shall not request such additional differentiation earlier than the third (3rd) anniversary of the Effective Date of this Agreement; and
- 7.4.3 Licensee may continue to sell the Products of the original packaging:
- 7.4.3.1. in all countries in the relevant Territory until the total number of countries which have approved the revised packaging when added to the number of countries for which such approval is not required equates to ten (10) countries (unless the Licensee can demonstrate to the reasonable satisfaction of the Licensor and ViiV that the volume requirements in those 10 countries do not equate to one batch of Products (the "Volume Threshold"), in which case Licensee shall not be obliged to sell the newly differentiated Product until such additional approvals as are necessary to meet the Volume Threshold are obtained); and
- 7.4.3.2. thereafter on a country-by-country basis until such time as the variation for the differentiated packaging is approved for sale in that country.
- 7.5 The Licensee shall give written notice, prior to any sale of Products, to any Third Party to which it sells Products of the restrictions contained in this Clause 7 and the Licensee shall use its best endeavours, without prejudice to any other provision of this Agreement, to ensure that such Third Parties will undertake to abide by the restrictions contained in this Clause 7 and will assist the Licensor and ViiV in securing compliance with this Clause 7 and the restrictions which it contemplates.

8 INTELLECTUAL PROPERTY

- 8.1 If at any time during the term of this Agreement the Licensee (or any of its employees, agents, or other persons acting under its authority) makes, develops, conceives, acquires, reduces to practice, becomes entitled to or secures control over any Improvement it shall communicate such Improvement to Licensor and ViiV in full together with all available information concerning the mode of working and using the same. Licensor and ViiV shall treat this information as Confidential Information.

- 8.2 Licensee hereby grants to Licensor and ViiV a perpetual, irrevocable, worldwide, royalty free, non-exclusive licence to use any Improvement, Improvement Patent and related know-how (and shall promptly execute such document as ViiV may reasonably request accordingly). Licensor shall not sublicense such rights to any Third Party, provided, however, that should Licensor desire to sublicense any such rights, Licensee and Licensor agree to enter in good-faith negotiations regarding such sublicense. ViiV shall be entitled to grant sublicences (without further right to sublicense) under such licence only to its:
- 8.2.1 Affiliates; or
- 8.2.2 contract manufacturers, distributors and service providers solely for use in connection with their engagement of commercialising ViiV products.
- 8.3 The Licensee shall have no rights in relation to the conduct of any matter relating to the Patents or Non-Territory Patents, including the filing, prosecution and maintenance thereof.
- 8.4 If any suit or claim by a Third Party is instituted against the Licensor or the Licensee for patent infringement involving the Products and/or the Raw Materials, the party sued shall promptly notify the Licensor and ViiV in writing. ViiV shall have the right, but not the obligation, to defend or to conduct the defence of such suit or claim at its own expense. The Licensee shall assist ViiV and co-operate in any such litigation at ViiV's request and expense.
- 8.5 ViiV (and in no circumstances the Licensee) shall be entitled to bring infringement action at its own expense. To the extent ViiV decides not to bring any such infringement action, ViiV shall not be liable to the Licensee in any respect for such decision. The Licensee shall assist ViiV and co-operate in any such litigation at ViiV's request without expense to the Licensee.

9 TRADE MARKS AND NON-PROPRIETARY NAMES

- 9.1 Subject always to Clauses 9.2 and 9.3, the Licensee, at its expense, shall be responsible for the selection, registration and maintenance of all trade marks which it employs in connection with the Products to be sold by the Licensee in the Territory under this Agreement and shall own and control such trade marks. Nothing in this Agreement shall be construed as a grant of rights, by licence or otherwise, to the Licensor to use such trade marks for any purpose. Further, nothing in this Agreement shall be construed as a grant of rights, by licence or otherwise, to the Licensee to use the trade marks owned by the Licensor, ViiV, and/or any of their Affiliates anywhere in the world for any purpose.
- 9.2 The Licensee shall not use or seek to register (or, where it is possible to do so, apply to use or register) any trade or service mark, trade dress (where applicable), symbol or device in relation to any Products or any of their packaging (whether external, intermediate or internal) or promotional material which incorporates or is identical or confusingly similar to any trade or service mark, trade dress, symbol or device used by the Licensor, ViiV and/or any of their Affiliates anywhere in the world. If the Licensor and/or ViiV become aware that the Licensee is in breach of this clause 9.2, the Licensee shall immediately stop any such use and withdraw any such trade mark application and/or registration upon request by the Licensor and/or ViiV. This clause shall be without prejudice to any legal rights the Licensee may have in relation to the use of a trade or service mark, trade dress, symbol or device which is identical or confusingly similar to any trade or service mark, trade dress, symbol or device used by the Licensor, ViiV and/or any of their Affiliates anywhere in the world where that use by the Licensee

pre-dates the rights of the Licensor, ViiV and/or any of their Affiliates.

- 9.3 The Licensee shall obtain the prior written approval, such approval not to be unreasonably withheld or conditioned, of the Licensor and ViiV for all trade or service marks, trade dress (where applicable), symbols or devices which the Licensee proposes to use in relation to the Products or any of their packaging (whether external, intermediate or internal) or promotional material before seeking to register any such trade marks, before offering to sell, selling or otherwise disposing of any Products, and before applying for government or relevant regulatory authorisation to do so. The Licensor and ViiV shall respond to any request for approval from the Licensee within 30 days of receipt by ViiV (from the Licensor) of all the relevant documentation necessary to consider the Licensee's request, with an approval or a written statement of why the request is not being approved by ViiV. For the avoidance of doubt, the Trade Dress Guidance does not limit in any way the Licensor and/or ViiV's right to refuse to provide approval under this Clause 9.3, and the basis of ViiV's refusal to provide approval under this Clause 9.3 shall not be limited to breaches of Clause 9.2.
- 9.4 For the avoidance of doubt, any approval provided by the Licensor and/or ViiV under Clause 9.3 is not to be interpreted as acquiescence by the Licensor and/or ViiV that any packaging and/or labelling complies with any local legal or regulatory requirements, which remains the Licensee's responsibility.

10 STATEMENTS AND REMITTANCES

- 10.1 At all times the Licensee shall keep, and shall require its Affiliates and any Third Party manufacturers and Third Parties making sales on its behalf to keep, complete and accurate records for the previous two years (or for the period from the Effective Date to the then current date if such period is less than two years) of all quantities of Raw Materials and Products manufactured and/or sold under the licences granted by this Agreement, together with that information contemplated by Clause 10.2. The Licensor and ViiV shall have the right (and the Licensee shall procure such right), at its expense, through a certified public accountant or like person appointed by it, to examine such records during regular business hours during the term of this Agreement and for six months after its termination or expiry; provided, however, that such examination shall not take place more often than twice in any calendar year and shall not cover such records for more than the preceding two calendar years and provided further that such accountant or like person shall report to ViiV only as to:
- (a) the accuracy of the manufacturing and sales statements of the Licensee (and/or its Affiliates and/or its Third Party manufacturers contemplated by this Agreement) in relation to such manufacture and sales;
 - (b) the appropriateness of quantities of Raw Materials and Products imported or manufactured pursuant to this Agreement by reference to what quantities of Raw Materials and Products would reasonably be required to meet demand for actual sales made and sales forecasted by the Licensee;
 - (c) verification that all sales and other supplies of Products and Raw Materials made by the Licensee have been made (i) in the Territory, except for Products and Raw Materials made outside the Territory as expressly provided for in this Agreement and (ii) otherwise in accordance with Clause 7; and
 - (d) verification that all sales and other supplies of Products and Raw Materials made by Third Party manufacturers contemplated by this Agreement have been made to the Licensee in accordance with this Agreement.

- 10.2 Within ten (10) Business Days following the end of each Agreement Quarter, the Licensee shall provide the Licensor with a quarterly written report of all Products (in terms of smallest units and patient packs for each formulation) sold or supplied by the Licensee under this Agreement during such Agreement Quarter. Such accounting shall be made in accordance with the Reporting Guidance issued by the Licensor and show smallest unit, pack size, and value of sales in US Dollars on a Product-by-Product, country-by-country, month-by-month and purchaser-by-purchaser basis and shall be broken down by reference to sales to the Public Market and the Private Market.

11 SANCTIONS

- 11.1 The Parties acknowledge that a number of organisations and countries including the United Nations, the United States, the United Kingdom and the European Union have adopted sanctions legislation relating to the Territory and/or entities and individuals which or who are resident or operate in the Territory and that such sanctions are varied or amended from time to time.
- 11.2 The Licensee represents and warrants to Licensor and ViiV that (a) neither the Licensee nor, to the knowledge of the Licensee, any Affiliate, director, officer, employee of the Licensee, is a Sanctions Target, or (b) that it has obtained a licence or other authorisation from OFAC and/or any other relevant Sanctions Authorities in relation to such an entity which is a Sanctions Target.
- 11.3 The Licensee represents and covenants that, prior to, directly or indirectly,
- (a) making the Patents or any Product available to, or contracting for Product manufacture with, any Sanctions Target; or
 - (b) making the Patents or any Product available to a country or territory that is the target of country-wide or territory-wide Sanctions;
- it will obtain a license or other authorization, either directly or through MPPF, from OFAC and/or any other relevant Sanctions Authorities.
- 11.4 In the event that performance of this Agreement by either Party or the Head Licence would (or might) in the reasonable opinion of the Licensor and/or ViiV breach any Sanctions, any applicable export control regime or other similar applicable laws of any jurisdiction (whether or not such Sanctions, controls or laws were in existence at the date of this Agreement and whether or not there have been any other changes in circumstance from those that existed at the date of this Agreement), the Licensor shall be entitled to suspend the operation of such provisions of the Agreement (including any payment or supply provisions) which require or permit performance by either or both Parties where, in the reasonable opinion of the Licensor and/or ViiV, such performance would result in a breach of any such Sanctions, controls or laws until, in the reasonable discretion of ViiV and Licensor, such time as all necessary approvals or licences have been obtained to enable the Agreement to continue in a lawful and compliant manner and, notwithstanding any provision of this Agreement, the Licensor shall not be obliged to pay any compensation to the other Party or otherwise indemnify the other Party in respect of any losses or costs which that other Party may suffer or incur as a result of such suspension and/or termination.

12 TERM AND TERMINATION

- 12.1 This Agreement shall be deemed to come into effect on the Effective Date and shall continue thereafter subject to the further provisions of this Clause 12.
- 12.2 Unless otherwise terminated, this Agreement shall expire upon the expiration, lapse or invalidation of the last remaining Patent in the Territory.
- 12.3 Save as otherwise provided in this Agreement, if the Licensee breaches any provision of this Agreement and if such breach (i) is material and incapable of correction; or (ii) is capable of correction but is not corrected within 60 days after receiving written notice with respect to such default, the Licensor shall have the right to terminate this Agreement with immediate effect by giving written notice to the party in default.
- 12.4 If:

12.4.1 Licensor becomes aware of an actual or threatened claim that Licensee's use of the Patents in the Territory infringes the intellectual property rights of a Third Party; or

12.4.2 Licensor receives notice from ViiV that ViiV's right to grant licences of the Patents is challenged,

Licensor shall (and ViiV shall be entitled to) notify the Licensee in writing, detailing the nature of such claim or challenge. Licensee shall, within ten (10) Business Days of receipt of such notice, and without prejudice to any of the Licensee's other obligations or liabilities under this Agreement or the Licensor's rights (including without limitation under Clause 12.5), elect to:

- (i) suspend the terms of this Licence in respect of the relevant Patent until such issue is resolved; or
- (ii) confirm in writing that it will indemnify Licensor and ViiV against any Losses (as defined in Clause 14.5) incurred by Licensor and/or ViiV in connection with Licensee's continued use of such Patent pursuant to this Licence.

If Licensee does not so notify Licensor within ten (10) Business Days of Licensor's initial notice, the licence shall be deemed suspended pending resolution of the issue.

- 12.5 If:
- (a) the Licensee breaches any of the provisions of Clause 7;
 - (b) it is determined that the Licensee's use of the Patents in the Territory or Non-Territory Patents outside of the Territory infringes the intellectual property rights of a Third Party;
 - (c) ViiV's right to grant licences of the Patents or Non-Territory Patents expires or is terminated;
 - (d) ViiV or Licensor receives a third party claim or demand for royalty payments relating to sales of the Products or Raw Materials by the Licensee, unless the Licensee agrees to satisfy the claim should such a claim or demand become payable;

- (e) the legal or beneficial ownership or control of the Licensee and/or any of its Affiliates changes in such a manner as ViiV shall in its sole discretion consider significant;
- (f) Licensee repeatedly fails to comply with or to timely provide Licensor with any report such as those contained in Clause 10.2 of this Agreement;

the Licensor may terminate this Agreement, either in whole or in relation to a particular Patent with immediate effect by notice in writing to the Licensee.

- 12.6 The provisions of Clauses 12.5(a), 12.5(b) and 12.5(d) are without prejudice to the Licensor's or ViiV's rights to claim all damage and loss suffered by the Licensor, ViiV and/or any of their Affiliates arising out of, or in relation to, the event giving rise to termination. In respect of such damage or loss under 12.5(a), (b) and/or 12.5(d) the Licensee hereby agrees to indemnify the Licensor and ViiV subject to (i) the Licensor and ViiV (each of which shall be entitled to conduct the defence of such claims against them) taking reasonable account of the Licensee's input in the conduct of the claim to which such loss or damage relates, and (ii) the provisions of 28.3.
- 12.7 Any Party may terminate this Agreement with immediate effect by providing a written termination notice to the other Party if, at any time, the other Party shall compound or make arrangements with its creditors or be adjudicated bankrupt or have a receiver appointed over all or any part of its assets or go into liquidation (whether voluntary or otherwise) otherwise than as part of a bona fide amalgamation or reconstruction without insolvency or suffer any insolvency event or analogous process under foreign laws.
- 12.8 Any change in the legal or beneficial ownership or control of the Licensee shall be immediately notified in writing to the Licensor and ViiV by the Licensee. For the purposes of this Clause 12.8, "control" shall mean the ability of a person, entity or corporation to ensure, whether through ownership of shares or otherwise, that the affairs of a party are conducted in accordance with the wishes of such person, entity or corporation.
- 12.9 If Licensee fails to file for regulatory approval before at least one Relevant Regulatory Authority (including, but not limited to the WHO pre-qualification programme) within 30 months from the Effective Date in respect to the Compound and within 36 months in respect to at least one of the Products, or fails to respond to Licensor's reasonable request for any subsequent Products, Licensor shall have the right to terminate this Agreement with immediate effect by giving written notice to the Licensee.
- 12.10 If, in the reasonable opinion of the Licensor, the Licensee fails to promote access to the Products in the Territory in accordance with this Agreement, the Licensor shall give notice to the Licensee requiring it cure such failure. If in the opinion of the Licensor, the Licensee fails to report reasonable progress within 180 days after receiving written notice with respect to the default, the Licensor shall have the right to terminate this Agreement with immediate effect by giving written notice to the Licensee. Without limitation to the generality of this Clause 12.10 in exercising its reasonable opinion, the Licensor shall take into account the period within which the relevant authorities provide the necessary approvals as referred to in Clauses 3.2 and 3.3, normal development lead time for the Products, and progress reported by Licensee in its quarterly reports provided under Clause 3.5.
- 12.11 Unless notice to the contrary is given by ViiV, this Agreement shall terminate immediately in the event that the Head Licence is terminated or expires. This

Sublicense Agreement shall be converted into a licence between ViiV and the Sublicensee, provided that Sublicensee is not in breach of this Agreement and that ViiV has notified both the Licensor and Licensee of such conversion.

- 12.12 Licensee may terminate this Agreement at any time by providing 30 days written notice to Licensor.

13 RIGHTS AND DUTIES UPON TERMINATION OR EXPIRY

- 13.1 Upon termination or expiry of this Agreement, in accordance with Clauses 12.7, 12.8, 12.9, 12.11 and/or 12.12 the Licensee shall immediately notify the Licensor and ViiV of the amount of Product the Licensee then has available to it and, provided that such amount is, in the opinion of ViiV, reasonable in all the circumstances, the Licensee shall be permitted to sell that amount of Product in the Territory. This provision shall only apply to the extent that such termination would deprive Licensee of legal rights with respect to Product and Raw Materials.
- 13.2 Termination or expiry of this Agreement shall not affect those provisions of this Agreement which are expressed or intended to survive the termination or expiration of this Agreement in particular, but without limitation, Clauses 5, 10, 14.5, 14.6 and 14.7 and the relevant provisions of this Clause 13. In addition, any other provisions required to interpret and enforce the Parties' rights and obligations under this Agreement shall also survive, but only to the extent that such survival is required for the full observation and performance of this Agreement by the Parties.
- 13.3 Termination of this Agreement in accordance with the provisions hereof shall not limit remedies which may be otherwise available in law or equity and shall be without prejudice to any rights that any person may have pursuant to this Agreement for antecedent breaches.

14 WARRANTIES AND INDEMNITIES

- 14.1 Each of the Parties warrants that, to the best of its knowledge and belief:
- (a) it has power to execute and deliver this Agreement and to perform its obligations under it and has taken all action necessary to authorise such execution and delivery and the performance of such obligations; and
 - (b) this Agreement constitutes legal, valid and binding obligations of that party in accordance with its terms.
- 14.2 Nothing in this Agreement shall be construed as a warranty that (a) the information set out in Appendix D or Appendix E accurately reflects the status of ViiV's patents and patent applications relating to the Compound and/or Products, (b) any of the Patents or Non-Territory Patents are valid or enforceable or (c) their exercise does not infringe any patent rights of any Third Parties.
- 14.3 The Licensee acknowledges that, in entering into this Agreement, the Licensee has independently evaluated any information supplied by the Licensor and ViiV (including, but not limited to, such information related to the Products), as well as the viability of this Agreement, before making its decision to enter into this Agreement and to undertake the commitments and obligations set forth herein.
- 14.4 The Licensee acknowledges that the Licensor and ViiV do not in any way endorse the use of any Products sold or manufactured by the Licensee containing the Compound or

other active ingredient (including without limitation that used in the Licensed Combination Product), whether as single compounds or in combination with each other, or whether in combination with other compounds.

- 14.5 The Licensee hereby agrees to indemnify the Licensor, ViiV, their Affiliates and their respective officers, directors, shareholders, representatives, agents, employees, successors and assigns (each an “**Indemnified Person**”) against any and all suits, claims (whether or not successful, compromised or settled), actions, demands, proceedings, judgements, liabilities, expenses and/or losses, including reasonable legal expense and attorneys’ fees (“**Losses**”), that arise in connection with (i) the Licensee’s breach of this Agreement; or (ii) the Licensee’s exercise of its rights pursuant to this Agreement (including for the avoidance of doubt any product liability claim relating to the Products manufactured by or on behalf of Licensee pursuant to this Agreement), provided that the indemnification obligation established in this Clause shall not apply to the extent such Losses arise out of negligence or wilful misconduct by ViiV, their Affiliates and their respective officers, directors, shareholders, representatives, agents, employees, successors and assigns. ViiV shall, or shall procure that the Indemnified Person shall, provide Licensee with prompt written notice of such claims. Subject to Clauses 8.4 and 12.6, the Indemnified Person and Licensee will agree on the appropriate party to assume control of the defence or negotiation of settlement and will agree to make available all reasonable assistance in defending any claims.
- 14.6 Clause 14.5 may be enforced, by each Indemnified Person against the Licensee under the Contracts (Rights of Third Parties) Act 1999.
- 14.7 Immediately upon the first administration of a Product to a human in accordance with this Agreement, and for a period of ten years after the expiration or earlier termination of this Agreement, the Licensee shall obtain and/or maintain, at its sole cost and expense, product liability insurance in amounts which are reasonable and customary in the pharmaceutical industry of the countries in which the Raw Materials and Products are manufactured, distributed and sold (as relevant), subject always to a minimum limit equivalent to U.S.\$10,000,000 per occurrence (or claim) and in the aggregate annually. Such product liability insurance shall insure against all liability, including product liability, personal liability, physical injury or property damage. The Licensee shall provide written proof of the existence of such insurance to the Licensor and ViiV upon request from either therefor and shall monitor such policy on a monthly basis to ensure that any cover is revised to take account of any currency fluctuations.

15 FORCE MAJEURE

If the performance of any part of this Agreement by any Party, or of any obligation under this Agreement (other than those provisions which in any respect concern the payment under any indemnity or otherwise under this Agreement) is prevented, restricted, interfered with or delayed by reason of any cause beyond the reasonable control of the Party liable to perform (an “**Event of Force Majeure**”), unless conclusive evidence to the contrary is provided, the Party so affected shall, upon giving written notice to the other Party, be excused from such performance to the extent of such prevention, restriction, interference or delay, provided that the affected Party shall use its reasonable endeavours to avoid or remove such causes of non-performance and shall continue performance with the utmost dispatch whenever such causes are removed. If the Event of Force Majeure continues for a period of more than six months, any Party not prevented, restricted, interfered with or delayed or otherwise in terms of performance may terminate this Agreement by providing a written termination notice to the other Party.

16 RIGHT OF SET OFF

- 16.1 All amounts due by the Licensee under this Agreement shall be paid in full in US Dollars or such other currency as may be agreed in full without any set-off or counterclaim and free and clear of all taxes, deductions, withholdings and other charges of whatever nature other than as required by law and the Licensee shall not be entitled to assert any set off or counterclaim in order to justify withholding payment of any such amount in whole or in part.
- 16.2 The Licensor and ViiV shall be entitled at any time, without notice to the Licensee, to set off any liability of the Licensor or ViiV to the Licensee (for example, in connection with the purchase of stock in hand and/or Raw Materials pursuant to Clause 13), against any liability of the Licensee to the Licensor or ViiV and may for such purpose convert or exchange any currency. Any exercise by the Licensor or ViiV of their rights under this Clause 16.2 shall be without prejudice to any other rights or remedies available to the Licensor or ViiV under this Agreement.

17 THIRD PARTY RIGHTS

- 17.1 Except for ViiV and ViiV's Affiliates or as otherwise expressly provided under this Agreement, a person who is not a party to this Agreement shall not have any rights under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Agreement.
- 17.2 ViiV and/or any of its Affiliates have the right under the Contracts (Rights of Third Parties) Act 1999 to enforce and rely on the terms of this Agreement. - 17.3 The rights of the Licensor under this Agreement shall be applicable to ViiV to the same extent as for the Licensor and the Licensor shall exercise such rights on behalf of ViiV if so requested by ViiV.

- 18.2 If any of the terms or provisions of this Agreement are in conflict with any applicable statute or rule of law, then such terms or provisions shall be deemed inoperative to the extent that they may conflict therewith and shall be deemed to be modified to the minimum extent necessary to procure conformity with such statute or rule of law.
- 18.3 In the event that the terms and conditions of this Agreement are materially altered as a result of Clauses 18.1 or 18.2, the Parties and ViiV will seek to renegotiate the terms and conditions of this Agreement to resolve any inequities. If the Parties cannot reach an agreement, they agree to submit their dispute to mediation in accordance with Clause 28.3 of this Agreement. In the event that the dispute remains unresolved, either Party may terminate this Agreement by providing a written termination notice to the other Party.

19 ENTIRE AGREEMENT

- 19.1 This Agreement constitutes the entire agreement between the Parties relating to the subject matter hereof and supersedes all previous writings and understandings between the Parties relating to the transactions contemplated by this Agreement.
- 19.2 Subject to Clause 19.3, each Party acknowledges that in entering into this Agreement it has not relied on any representation, warranty, collateral contract or other assurance (except those set out in this Agreement) made by or on behalf of any other party before the date of this Agreement. Each Party waives all rights and remedies which, but for this clause, might otherwise be available to it in respect of any such representation, warranty, collateral contract or other assurance.
- 19.3 Nothing in this Clause 19 limits or excludes any liability for fraud.

Notwithstanding the aforesaid, the Licensor (pursuant to approval from ViiV) shall have the right to amend Appendix D and Appendix E of this Agreement at any time without the Licensee's consent in order to include additional patents in those appendices.

25 WAIVER

The rights of each party under this Agreement: (a) may be exercised as often as necessary; (b) are cumulative and not exclusive of rights or remedies provided by law; and (c) may be waived

only in writing and specifically. Delay in exercising or non-exercise of any such right is not a waiver of that right.

26 NO PARTNERSHIP OR AGENCY

Nothing in this Agreement shall be deemed to constitute a partnership between the Parties (or between either Party and ViiV), nor constitute either Party as the agent of the other Party (or either Party as the agent of ViiV or ViiV as the agent of either Party).

27 EXECUTION IN COUNTERPARTS

This Agreement may be executed in any number of counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument.

28 GOVERNING LAW AND JURISDICTION

- 28.2 Subject to Clause 28.3, the English courts shall have exclusive jurisdiction to settle any dispute arising out of or in connection with this Agreement (including a dispute relating to any non-contractual obligations arising out of or in connection with this Agreement) and the Parties submit to the exclusive jurisdiction of the English courts.
- 28.3 The Parties agree that in the event of a dispute they shall submit such dispute to mediation in accordance with the WIPO Mediation Rules. In the event that the dispute remains outstanding after 60 days from the date when it was first discussed (in any manner) between the Parties, either party may commence court proceedings. The foregoing however shall not prevent any person from seeking and obtaining injunctive relief at any time.
- 28.4 The Parties waive any objection to the English courts on the grounds that they are an inconvenient or inappropriate forum to settle any such dispute.
